

## Home

Welcome to the home of Midsummer Energy Assessors, based in Woodgreen, we are committed to providing Energy Performance Certificates (EPC's) for Home Owners, Estate Agents, Landlords and Solicitors quickly and efficiently. We provide both domestic and commercial energy assessments (EPC's) for properties throughout South Wiltshire, The New Forest, Hampshire and Dorset including Salisbury, Fordingbridge, Ringwood, Shaftesbury as well as the surrounding towns and villages. Paul Martin, a Chartered Builder and Member of the NHER, Elmhurst and BRE Accreditation Schemes for Energy Assessors, is available, often within 24 hours, to provide Energy Performance Certificates (EPC's) for commercial and residential properties within the area covered. To assist with the marketing of a property floor plans can also be supplied. We are also accredited to undertake SAP 2009 assessments for new houses and extensions and provide 'on construction' EPC's for new homes. Registered member of the National Home Energy Rating Scheme. Midsummer Energy Assessors provide energy assessments, energy inspections and Energy Performance Certificates (EPC) to Wiltshire, Hampshire, Dorset, Salisbury, Fordingbridge, The New Forest and Ringwood.
