

Home

Welcome to the home of Midsummer Energy Assessors, based in Woodgreen, we are committed to providing Energy Performance Certificates (EPC's) for Estate Agents, Solicitors, Landlords and Individuals quickly and efficiently. We provide domestic energy assessments throughout South Wiltshire and the New Forest, Hampshire and Dorset including Salisbury, Fordingbridge, Ringwood, Shaftesbury and the surrounding towns and villages. Paul Martin, a Chartered Builder and Member of the NHER Accreditation Scheme for Energy Assessors, is available, often within 24 hours, to provide Energy Performance Certificates (EPC's) for commercial and residential properties within the area covered. We are also accredited to undertake SAP 2005 assessments for new houses and extensions and provide 'on construction' EPC's for new homes. Registered member of the National Home Energy Rating Scheme. Midsummer Energy Assessors provide energy assessments, energy inspections and Energy Performance Certificates (EPC) to Wiltshire, Hampshire, Dorset, Salisbury, Fordingbridge, The New Forest and Ringwood.
